## Horse Boarding

*Beautiful newer barn with many amenities but not too many people.  
Looking for a relaxing, no pressure atmosphere? You found it!*

### Arenas

- Indoor arena: 70' x 134' with lighting, 10 minus sand footing
- Outdoor arena: 135' x 285' with lighting

### Stalls

- Matted Stalls cleaned twice daily, 7 days a week.
- Automatic water and hay feeders.
- We have very few stalls so there is no "he said, she said".
- We feed hay, to your horses' needs, twice daily.

### Extras

- Large tack room with 2 saddle racks, 2 body blanket hooks, and trunk room.
- Huge aisle way for safety, and large wash rack.
- We blanket in the winter, fly mask in summer, and feed your supplements.
- Full 24-hour pasture in summer months and NO MUD turnouts in winter.

### Bonus

- We raise, breed, and train cattle and dogs so your horse is exposed to lots of environmental noises and smells - this all helps to bomb proof your horse.
- We have English, Dressage, Hunter Jumper, Western, and trail riders.

*We are only a few minutes out of Newberg &  
would love to call you and your horse family.*
